

*Hi Everyone!*

This year we are making Holiday Smiles even bigger with our Little Big Wishlist. Instead of just asking for donations, we are inviting you to help make real wishes come true – from school shoes and backpacks to storybooks and baby bottles. Every gift goes into one big pot so we can say yes to as many wishes as we can. We have set it up on GivenGain and CanadaHelps so it is quick and secure to give.

Please donate if you are able, and forward this mail to anyone you know who would love to help us spread a little festive cheer.

Here's to making a Big Difference to Little Lives
