

# YOU'RE BEHIND EVERY HOLIDAY SMILE

*Hi Everyone!*

Holiday Smiles last year was something special, hey? Thanks to every one of you who pitched in and helped us throw a day that was all joy, noise, and smiles from ear to ear.

From the slip and slide's non-stop fun to the full bellies and big laughs, it was a real success, and it happened because of you. Your time, energy, donations, and good vibes were behind every single grin.

So from all of us, and from the kids too, thank you for coming to the party and bringing the smiles.

We're so grateful.

At Tetra Tech's annual Rock Group 'Be In' gathering in Vancouver, Cameron Clayton, an engineer at Tetra Tech, shared an update on GTO Trust's work, with a spotlight on the volunteer trip supporting ACET Zimbabwe and the ongoing impact of their programmes.

On 20 November, the Mississauga office hosted a fundraiser selling homemade Christmas ornaments, raising \$190 in total. Well done guys!
